The Style of a "Dorothy Dodd"

The woman whose capacity for style exceeds her capacity in dollars will find that the style of a "Dorothy Dodd" Shoe gives her foot all the distinction of a custom-measured shoe. "The style of a 'Dorothy Dodd'" has become proverbial. It is a Shoe that preserves the natural outlines of the foot, yet actually makes it look a full size smaller. No other shoe is designed like it. When your foot is tired don't put on a slipper, but put on a "Dorothy Dodd." It hugs the foot around the instep and rests every other part of it. It saves fifty per cent in foot fatigue.

When You Are Tired

Of hiding that poor paint, which has cracked, peeled and blistered and done almost everything imaginable, by putting on a paint that is no better than the preceding coat, turn your attention to a pure article. Insist on 100 per cent purity. Ask for a paint with the Analysis by the State Chemist on the outside of each and every can. You will then have the Colonial Paint. Sold by C. A. Heath in Barre.
